

Community Conversations Guide

Audience: General Public

Main Questions: Understanding Settlement Funds

1. Current Allocation

- How aware are you of how settlement funds are allocated in your community?
- What information do you have about the structure of the decision-making committee for these funds?

2. Abatement Strategies

- Do you know what specific strategies are being used in your community to address the opioid crisis?
- What outcomes are these strategies aiming to achieve from your perspective?
- Have you been informed about any resources or research that influenced the selection of these strategies? If so, what do you know about them?

3. Community Involvement

- How do you think community members can be involved in the decision-making process for these funds?
- What channels or methods would you prefer to provide feedback or voice your concerns?

4. Ongoing Needs

- As funds continue to be received and used, what additional resources or support do you think would be valuable to your community?
- Would you find it useful to know about the successes and failures of strategies implemented in other communities?
